How Six Flags Hurricane Harbor Phoenix Fundraiser Program Works:

Your Non-Profit organization sells the one-day admission ticket at a suggested price of up to \$28. Fundraiser tickets are priced to allow organizations to generate revenue while providing “supporters” with a discount into Hurricane Harbor Phoenix. Valid July 5 – October 13, 2019 on regular operating days.

Each organizer will receive a minimum ticket order. Once your sale is over, participants return their unsold tickets and payments to the fundraiser coordinator at your organization. Your fundraiser coordinator simply brings in unsold tickets along with payment in full (in the form of a check from the organization).
