How Wet 'n' Wild Phoenix Fundraiser Program Works:

Your Non-Profit organization sells the one day admission ticket for \$25. Fundraiser tickets are priced to allow organizations to generate revenue while providing "supporters" with a discount into Wet 'n' Wild Phoenix. Valid July 9 – October 14, 2018 on regular operating days.

Each organizer will receive a minimum ticket order. Once your sale is over, participants return their unsold tickets and payments to the fundraiser coordinator at your organization. Your fundraiser coordinator simply brings in unsold tickets along with payment in full (in the form of a check from the organization).

Please provide the information requested below (information will be verified). Make a copy of this agreement for your records and **return the original agreement along with a copy of your tax exempt letter** to Wet 'n' Wild Phoenix.
